RE: Documentation Supporting Safety of Lower Maintenance Shed Roof

Dear Jim:

This letter is to confirm our conversation of April 12, 2005. You agreed to provide to me documentation and/or investigation that supports the EPA's decision that tenant occupancy under the lower maintenance roof is safe.

I am writing this letter as a friendly reminder of the same. As we are currently negotiating new leases for occupancy under the lower roof, your expedited assistance is appreciated.

Sincerely,

Amy N. Guth
